Dear Doc,

We are putting together our prospectus material, may we remind you that your company assignment is:

A. HISTORY OF LINE

1. Utah Eastern Story (with Dennis Spendlove, you could also call Pres. Call as he has considerable information now).
2. D & R G W Story (as it relates to Heber Valley, again with Dennis, but Harold has now a lot of information.)
3. Efforts of Wasatch County group to save "Heber Creeper"

This assignment, I realize, could be extremely long, and someday should be written almost as a book. But for our purposes, I suggest a single space type written page should cover one and two, and perhaps an additional page devoted to number three is all we should have for now.

I would like to have this ready for review and editing by myself and our attorneys by the middle of September.

Very truly yours,

Lowe Ashton
